**Detailed Action**

This action is responsive to the reply filed on 06/04/2010. Per the reply, claims 1, 4, 10 and 18 have been amended; no new claims have been added. Claims 1-44 are currently pending and under examination.

The amendments made to the aforesaid claims have resulted in withdrawal of the informality objection and the rejection under 35 U.S.C. 112 as set out in the last Office action.

Claims 1-19 are maintained as allowable for the reasons set out in the last Office action.

This application is in condition for allowance except for the presence of claims 20-44, drawn to an invention non-elected with traverse in the reply filed on 10/21/2009. Applicant is given **ONE MONTH or THIRTY DAYS** from the date of this letter, whichever is longer, to cancel the noted claims or take other appropriate action (37 CFR 1.144). Failure to take action during this period will be treated as authorization to cancel the noted claims by Examiner's Amendment and pass the case to issue. Extensions of time under 37 CFR 1.136(a) will not be permitted since this application will be passed to issue.

The prosecution of this case is **closed** except for consideration of the above matter.
